Outer Burial Containers

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Mount Sinai Memorial Parks requires burial vaults or grave liners for all ground interments.

"T" Vault - For Traditional Burial, With Cut-Outs in Bottom.....	\$595
Standard Concrete #5 Vault.....	\$595
Less than Regular Sized Vault or Liner.....	\$295

Mount Sinai Memorial Parks & Mortuaries makes no representation or warranty about the protective value of caskets other than those made by the manufacturer. The only warranties granted in connection with goods sold with funeral services are the expressed written warranties, if any, extended by the manufacturers thereof. No other warranty, expressed or implied, is extended by the seller, including merchantability or fitness.
