

We're doing this
for our kids.

By making our funeral plans now, we know that
they won't have to make these tough decisions.

My family thinks that I have a joke for every occasion, and usually I do, but this is a subject I'm taking very seriously.

When my parents passed, they did not have funeral plans in place so it was up to me to take care of all of the details. It sure would have been easier both emotionally and financially if my parents planned ahead.

I don't want to put my kids in a similar situation, which is why I'm doing this now.
