

My Mom has this uncanny
ability to read my mind.

That's why she is making sure that
I know what's important to her.

Because I don't practice many of the Jewish traditions in my daily life, I hope that my parents are very detailed about how they want their funeral handled.

I am not really comfortable discussing funeral plans with my parents, but I am comforted knowing that they have already made all of the tough decisions. continue our family tradition.
