At Mount Sinai Memorial Parks and  
Mortuaries, we are committed  
to excellence in every aspect  
of our operations. We strive to  
be better and do more for the  
community every day, including  
finding ways to make Jewish burial  
possible for the entire community.

Given Mount Sinai is both a  
cemetery and mortuary, making  
Jewish burial possible for the entire  
community is a two-fold task that  
we feel is our responsibility.  
*Chevra Kadisha at Mount Sinai*<sup>®</sup>  
offers our mortuary services  
whether choosing to be interred  
within our parks or another location,  
and the new Traditions Program  
is financially accessible for all.  
The Traditions Program includes  
Sh'mira, Tahara under Rabbinic  
supervision, Tachrichim, Aron,  
transportation and all standard  
documentation and permits.

*Chevra Kadisha at Mount Sinai*<sup>®</sup>  
acknowledges that it is of the utmost  
importance to preserve the integrity  
of the body and allow the burial as  
soon as possible, **"Earth you are, and  
to earth you will return."**
